Dear Friend,

More than ever before, our troops need to know that they have our support during these trying times. All service members make tremendous sacrifices; many are often deployed for more than a year at a time. **We can never say "thank you" enough to the patriots and heroes who have stepped forward to defend freedom and democracy around the world!**

Ongoing support and encouragement from a grateful nation helps America's bravest men and women to 'stay the course.' In response to this need, our non-profit organization designed and produced a special DVD called **Operation Thank You**.

Set to inspiring patriotic and instrumental music, **Operation Thank You** uplifts the spirits of military personnel with encouraging messages that inspire faith, promote patriotism and convey support from the home front. This DVD makes a great gift for any former or present member of the U.S. Armed Forces!

Please consider ordering copies of this DVD to send to your friends and loved ones serving in the military. You can also make a tax-deductible contribution to help us support our troops with copies of this DVD. **These DVDs will become a treasured gift to our troops as they strengthen their spirits.** You may respond by cutting out the order form below *or* simply visit our secure online store at www.OperationThankYou.org to order DVDs or make a donation. If you wish to place a credit card order or make a donation by phone, please call us toll-free at 1-866-645-6284. **Please act now while we have this awesome opportunity to say "thanks" to our troops.**

On behalf of our ministry, I want to say a heartfelt "thank you" for your prayers and support of this cause. May God continue to bless you and our troops,

Brian L. Bohlman

Founder
So Help Me God Project

P.S. As we continue to see a decrease of support and appreciation for our troops, please prayerfully consider this timely opportunity to show your support. I look forward to hearing from you soon and seeing how God will use you to help us move forward in this special outreach. **Please invite others to participate! We need individuals, families, organizations, groups, churches to help sponsor DVDs for our troops.**
