

# NEW HANDBOOK BOOSTS TROOP MORALE AND STRENGTHENS SPIRITS!

As servicemembers fight in the global War on Terror, many are reflecting on the solemn military oath they swore to keep. A new pocket-sized book, **So Help Me God: A Reflection on the Military Oath**, is being praised by senior military leaders and has been provided to over 13,000 troops serving at home and abroad. It is a professional handbook (with study guide) that is especially recommended for chaplains, commanders, first sergeants, and supervisors as a means to inspire faith, patriotism, and preserve the military core values.
